Spacious Two-Bedroom Apartment for Rent in Sunny Beach with a Large Terrace

100 sq.m. · Apartments · 2-bedroom · For Rent · Floor 5 · Bathrooms 2 · Property Code: 4204

We offer for rent a spacious **apartment in Sunny Beach with a net living area of 91 sq.m,** located in a very convenient and peaceful part of the resort, behind the police station and the medical centre. The location is especially practical for people who want both спокойствие and easy access to everything important in the area. The apartment is also just about 5 minutes **from the Djanny area**, which makes it a very comfortable option not only for the summer months, but also for year-round living.

The **property is fully furnished and equipped** with all necessary furniture and appliances, making it ready for immediate use without additional preparation. The layout is comfortable and well organised, consisting of a spacious living room with dining area and kitchen, two bedrooms, two bathrooms, and a large terrace accessible from all three rooms. This terrace is one of the strongest advantages of the apartment, as it adds extra outdoor space, more light, and a greater feeling of openness throughout the home.

The living area is bright and generously sized, offering enough room for both relaxation and everyday use. The kitchen and dining space are naturally integrated into the main room, creating a practical and welcoming atmosphere. The two bedrooms provide very good comfort for a family, a couple who need more space, or tenants looking for a rental apartment in Sunny Beach that feels more spacious and functional than standard holiday properties. The presence of two bathrooms is another important advantage, adding extra convenience for everyday living.

Each room is fitted with air conditioning, which ensures comfort in all seasons. The apartment also benefits from a beautiful view of the pool and the landscaped grounds of the complex, creating a pleasant resort atmosphere while still offering the practicality needed for longer stays. The combination of large interior space, a generous terrace, full furnishing, and a quiet yet convenient location makes this property an excellent choice both for seasonal rental and for comfortable year-round living in Sunny Beach.

Sunny Beach remains one of the most popular coastal destinations in Bulgaria thanks to its wide beach, developed infrastructure, and good selection of shops, restaurants, services, and transport connections. At the same time, the quieter parts of the resort are increasingly preferred by people who want to live near the sea in a more relaxed environment. The area offers easy access to everyday amenities and is also close to Nessebar, which adds even more practicality and value to the location.

If you **are looking for a spacious apartment for rent in Sunny Beach,** suitable both for the summer season and for year-round living, this property deserves your attention. Contact Royal Homes for more information and rental conditions.
