100 sq.m. · Apartments · 2-bedroom · For Sale · Floor 2 · Bathrooms 2 · Property Code: 4209

Royal Homes presents a luxury two-bedroom apartment for sale in Saint Vlas, Bulgaria, located in the Triavna complex just a few steps from the beach. Its near-seafront position, sea view, generous interior and carefully designed contemporary furnishing place the property within the premium segment of coastal real estate in Bulgaria.

The apartment has a total area of 100 sq.m and is situated on the second floor. Its layout comprises a spacious living room with kitchen and dining area, two separate bedrooms, two bathrooms and two terraces. One bathroom is fitted with a bathtub, while the other has a shower cabin, providing a practical arrangement for family use and visiting guests.

The main living area has been designed as a balanced open-plan space for relaxation, dining and everyday living. The kitchen combines light cabinetry with warm wood finishes, integrated appliances and subtle lighting. The dining area connects naturally with the lounge while preserving a clear sense of space and visual order.

The interior follows a refined contemporary concept built around graphite, grey and natural wood tones. Decorative wall panels, carefully positioned lighting, coordinated textiles and modern furniture create a distinctive atmosphere without making the rooms feel excessive or overly formal.

The apartment is offered luxuriously furnished and ready for use. Both bedrooms follow the same elegant design language and provide comfortable sleeping areas together with practical storage. The two terraces extend the living space outdoors, while the sea view reinforces the coastal character of the property and its close connection to the beach.

The annual maintenance fee is €500, a moderate level for a spacious apartment in a complex with such a desirable position near the sea.

Triavna is located in one of the preferred coastal areas of Saint Vlas, where immediate beach access is combined with a calmer residential setting. Saint Vlas is among the established locations for buyers looking to purchase luxury property by the sea in Bulgaria, offering a distinctive coastal environment and practical conditions for both seasonal stays and longer periods of residence.

This premium property for sale in Bulgaria is suited to buyers seeking more than a standard holiday apartment: two bedrooms, two bathrooms, generous living space, quality furnishing and a location practically on the first line. Contact Royal Homes to receive further details and arrange a viewing of this apartment in the Triavna complex.
