## Two-Bedroom Apartments for Sale in Green Life Park Side 3, Sozopol

73.18 sq.m. · from 1966 €/sq.m. · Apartments · 2-bedroom · For Sale · Floor 2 · Bathrooms 2 · Property Code: 42262

Royal Homes real estate agency offers **two-bedroom apartments in Green Life Park Side 3**, a new phase of Green Life Beach Resort in the Kavatsi area of Sozopol, Bulgaria. These homes are designed for buyers who want more than a compact holiday property — with two separate bedrooms, a practical layout and a quieter setting close to the forest.

The apartments start from **73.18 sq.m**. The two-bedroom format works particularly well for families, longer stays by the sea and buyers who want additional flexibility for guests, children or a dedicated work room.

Park Side 3 is positioned in a greener and more peaceful part of the resort, while still providing convenient access to the main Green Life facilities. The low-rise buildings, light contemporary architecture, balconies and landscaped surroundings give the phase a more residential feel than a typical high-density holiday development.

A **large swimming pool with a separate children’s area** is planned beside the buildings. Owners will also benefit from access to the wider Green Life Beach Resort infrastructure, including swimming pools, sports and leisure areas, restaurants and landscaped communal spaces.

The location near **Kavatsi Beach** is one of the main reasons this part of Sozopol remains highly sought after. For buyers searching for a **two-bedroom apartment near the beach in Sozopol**, Park Side 3 combines the convenience of an established resort with a calmer position next to the forest.

The apartments will be delivered **fully finished**, allowing buyers to move directly to furnishing and equipping the property without undertaking the main interior finishing works after construction.

Green Life Park Side 3 is currently **under construction**. The apartments are offered **direct from the developer with no buyer commission**, and **instalment payment options** are available during the construction period.

This combination of two separate bedrooms, proximity to Kavatsi Beach, green surroundings and access to an established resort environment makes Park Side 3 a strong option for buyers looking for a more functional coastal home in Sozopol.
