75.44 sq.m. · from 1585 €/sq.m. · Apartments · 1-bedroom · For Sale · Floor 2 · Bathrooms 1 · Property Code: 4228

Royal Homes real estate agency presents **one-bedroom apartments for sale in ONA HOMES**, a new residential development in the Slaveykov district of Burgas, Bulgaria. The apartments are offered **directly from the developer, with no buyer's commission and no annual maintenance fee**, making them particularly attractive to buyers looking for a property for permanent residence.

One-bedroom apartments start from 75.44 sq.m. This type of property is ideal for couples, small families, or buyers seeking a spacious apartment with a separate bedroom and a comfortable living area. The generous floor space allows for a practical layout and greater everyday comfort compared to smaller city apartments.

ONA HOMES is located in Slaveykov, one of Burgas's established residential neighbourhoods with well-developed infrastructure. Supermarkets, Mall Galleria shopping centre, schools, kindergartens, healthcare facilities, and essential services are all nearby. This makes the development especially suitable for **year-round living in Burgas**, rather than seasonal use.

The building is designed with **nine above-ground floors** and contemporary architecture. **Two underground levels with garages and parking spaces** are planned, providing an important practical advantage for urban residential property.

Construction of **ONA HOMES** began in June 2026, with an estimated construction period of 36 months. Buying an apartment off-plan gives purchasers the opportunity to choose their preferred floor, orientation, and position within the building, subject to current availability.
For buyers looking for a **new-build one-bedroom apartment in Burgas**, ONA HOMES combines generous living space, an established residential location, and favourable purchase conditions: **direct from the developer, with no commission and no annual maintenance fee**.
